CLERK: Mr. President, second resolution, again a committee statement will be found on your desk, LR 304 introduced by Senator Jones, once again referred to Reference who referred it to Natural Resources for public hearing. The resolution was reported back to the Legislature for further consideration, Mr. President.

PRESIDENT MAURSTAD: Thank you, Mr. Clerk. Senator Jones, you're recognized to open on LR 304.

SENATOR JONES: Thank you, Mr. President. This resolution asks the Legislature to approve the gift from the Nebraska Game and Parks Foundation to the Nebraska Game and Parks Commission of all the real estate presently held in the trust from the Myrtle Hall Estate by the Foundation. This property is located in Loup and Custer Counties, Nebraska, and it's in Nebraska, of course, and will maintain the wildlife management area and public outdoor recreation activities. And this consists of 1,960 acres and it is right on the border between Custer and Loup County, and I do have maps if anybody would like to see it. I understand that she was never married, this lady was never married and had no children and so she moved all this real estate to the Foundation, and any cash she had she give to nephews and nieces. So this is all of her real estate that's in Custer and Loup County. Thank you.

PRESIDENT MAURSTAD: Thank you, Senator Jones. For discussion on LR 304, Senator Chambers, followed by Senator Don Pederson.
